### **PLEASE BE SURE TO CHECK OUT THE COURSE MAP**

Due to construction it was necessary to make changes to the 2023 race course. After reviewing several options, keeping runner safety a priority, public safety officials felt that this would be the best and safest choice for all race participants.

- The course involves a loop between miles 1 & 2.
  - Loop 1: run Court Street, right on Nelson which bears right onto Water Street. Just past the 1 mile mark you will take right onto Lothrop Street (volunteers will say: "loop 1 go right")
  - Loop 2: At the end of Lothrop Street you will take a right back onto Court where you will merge with runners who started towards the back. Take a right back onto Nelson St which bears right onto Water Street then stay straight on Water Street after the mile 2 mark. (volunteers will say: "loop 2 go straight")

- To get to the finish: take a right off of Water Street, just past Plymouth Rock, onto Leyden Street and a right at the top of Leyden Street to the finish line arch on Main Street.
- Although there will be volunteers on the course to help with directions please keep track of which loop you are on.
